

V-CTEC

Victorian Clinical Trials Education Centre

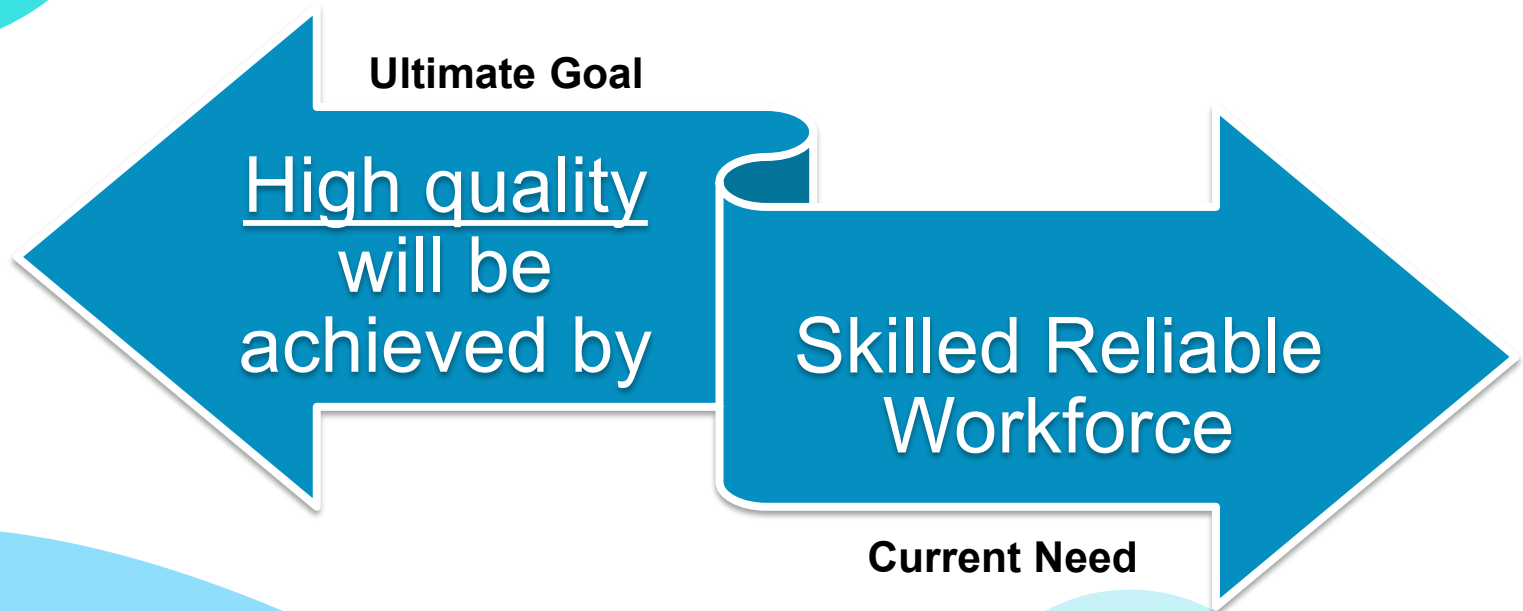

IT'S BEYOND GCP!

THE CURRENT NEED

Trial teams will be **accountable** for ensuring trial's.....

- Unit Managers
- Investigators
- Study team

Barriers for Trial Sites

- Lack of uniform approach to site staff training & certification
- Lack of knowledgeable/skilled staff
- Lack of readily accessible trials education
- Lack of up-to-date trial education materials meeting the fast changing pace of trials environment
- Cost \$\$\$\$

THE SOLUTION..

V-CTEC

Victorian Clinical Trials Education Centre
